BOARD OF SUPERVISORS.

That Hall of Records Again-- It is \$975 This Time.

Report of Road Overseers-- The Indigent List.

MONDAY, April 6, 1891.

The Board met in regular session at 10:30 A. M., Monday, all members present, and Chairman Smith presiding.

Nearly the whole session was taken up with the consideration of Road Overseers' reports, the following being received and placed on file, and the accompanying bills allowed: O. Elmore, Penn's Grove district, \$217.75; J. E. Mallen, Lakeville, \$178; J. Cooley, Cloverdale, \$299; W. H. Cap, Healdsburg, \$392.20; James Patrick, Knight's Valley, \$243.69; Ira Proctor, Mendocino, \$239.69; W. F. Harris, Washington, \$151; Joseph Gossage, Petaluma, \$215.45; Chas. Fairclough, Sebastopol, \$388.70; John Johnson, Bloomfield, \$106.20; H. A. Russell, Fulton, \$429.02; A. J. Hembree, Russian River, \$365.30; J. F. Burgess, Santa Rosa, \$645.97; T. J. Gould, Ocean, \$298.42; D. B. Feugh, Redwood, \$250.35.

A petition having been filed for a new bridge across Mill creek on the county road leading from Healdsburg down to the west side of Russian River, at a point near the residence of Frank Cunningham, and the committee, Messrs. Mead and Clark, having investigated the matter and reported the old bridge worn out and unsafe, Thursday was set as the time for final action, when the Clerk will be instructed to advertise for bids, plans and specifications.

TUESDAY, April 7th.

The report of J. E. Kearney, Road Overseer of Sonoma road district, was received and placed on file, and the accompanying bill in the sum of \$491.85 was allowed. The same order was made in the matter of G. Hicks' report and bill in the sum of \$167.13.

In the matter of the petition of Kohler & Frohling and others for a change of road in Sonoma road district over the lands belonging to the State of California and to be occupied as the Home for Feeble Minded, Mr. Cady moved that the petition be approved, and that L. E. Ricksecker, M. Doyle and A. W. Dana be appointed viewers to survey and lay out said change, and report upon the same if possible before the adjournment of the present session.

The hearing in the viewers' report in the matter of the petition of G. Fredericks et al. for a public road a mile and a half south of Sebastopol came on regularly for hearing, and O. H. Hoag appeared for the petitioners and A. B. Ware for the non-consenting land-owner, Manuel Davis. The following witnesses for petitioners were examined: L. Ricksecker, C. Wightman, Charles Johnson and J. W. Pitt.

The contestant moved to dismiss the petition on the ground that the laws in relation thereto had not been complied with, whereupon Mr. Sales moved the petition be denied.

WEDNESDAY, April 8th.

On motion of Mr. Cady the sum of \$9,500 was ordered transferred to the jail building fund from the county fund, and \$7,000 to the hall of records building fund.

Fifty dollars was ordered transferred from the Bodega to the Sonoma road fund.

In the matter of ceiling and plastering the new hall of records building, inasmuch as it now appears that it would be a matter of great economy to plaster and hard-finish the ceiling or inside of said building to correspond with the finish on the walls, at the present time, instead of postponing said work until next year when the premises will be occupied, and as the contractor A. J. Meaney, has filed his written consent to perform said additional work for the sum of \$975, and it being the belief of this Board that to perform the additional work any future time would cost greatly in excess of that sum, Mr. Clark moved that the proposal of Contractor Meaney be accepted, and the Board proceed to take the necessary vote for the purpose of making said change and additions during the time that said new hall of records is in construction.

The motion was carried by unanimous vote.

The necessary vote having been taken, the original contract was altered and it was further stipulated that the contractor shall construct truss ceiling with rafters, ceiling joists, posts, braces, trusses, cove cornice, lath and plaster and ventilators, as per plans, details and directions of the architect.

The following indigent allowances were made:

Analy Township--Mrs. C. E. Lane, \$10; Patrick Curry, \$10; Polard family, \$10; Leila Perry, \$4; Mrs. W. Owens, \$4; D. W. Thomas, \$8.

Bodega--Marcus Heard, \$6; Kenniston family, \$10; Mrs. John Norton, \$10; F. Robertson, \$5.

Cloverdale--Mrs. Louisa Hesse, \$8.

Mendocino--E. S. Vann, \$3; T. W. Ward for Nellie Stark, \$8; W. Newman, Mrs. Leonard, each \$10; William Hall, \$7; Mrs. A. Perry, \$8; N. F. Wolfe, \$7; Chas. Mahan, \$5.

Ocean--Neil McGuire, \$5.

Redwood--Jas. T. Renfro, \$5; Mrs. Rose Clemens, \$10; L. F. Jewett for Prince children, \$8; Mrs. Edward Radel, Mrs. Alice Bee, \$7.50 each; C. Sawtelle for Bessie Allen, \$5.

Sonoma--Miss Van Geldern and Mrs. Welscholt \$10 each. Salt Point--Lewis Baxman, \$10. Santa Rosa--Mrs. S. Mesa, \$6; Mrs. Kreidel, Frederick Iise, Mrs. Nellie Dudley, \$5 each; Sophia Jose, \$12; Mrs. Annie Grace, Mrs. Cunningham, Mrs. Hansen, \$5 each; Joaquin Carrillo, \$15; D. Sherman for Lottritz, \$8; I. B. Charles for Mrs. Campbell, \$5; Mrs. Maria Phillips, \$6; Mrs. Minear, \$10; Mrs. G. W. Martin, \$5; Mrs. Hibbitts for Jas. Carr, \$6; Mrs. C. M. Jacobs, \$10; Mrs. Joe Arnold, \$5; Mrs. S. W. Reeder, \$10; Mrs. E. Foudier, Mrs. M. Dattern, Jas. M. Knighten, Mrs. F. Kidd, \$5 each; Mrs. J. Samuels, Mrs. Cord Black, \$10 each; J. W. Butts, \$6; Mrs. S. Ashley for Bettie Butler, \$8.

It Saved My Life.

After suffering for twelve years from contagious Blood Poison, and trying the best physicians attainable and all the patent medicines procurable, and steadily continuing to grow worse, I gave up all hopes of recovery, and the physicians pronounced the case incurable. Hoping against hope I tried S. S. S. I improved from the first bottle, and after taking twelve was cured, sound and well, and for two years have had no more symptoms of the vile disease. As I owe my life to S. S. S. I send this testimony for publication.

SCROFULA

Is that impurity of the blood which produces unsightly lumps or swellings in the neck, which causes running sores on the arms, legs, or feet; which develops ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or "humors," which, fastening upon the lungs, causes consumption and death. It is the most ancient of all diseases, and very few persons are entirely free from it.

How Can It Be CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, has proven itself to be a potent and peculiar medicine for this disease. If you suffer from scrofula, try Hood's Sarsaparilla.

"Every spring my wife and children have been troubled with scrofula, my little boy, three years old, being a terrible sufferer. Last spring he was one mass of sores from head to foot. We took Hood's Sarsaparilla, and all have been cured of the scrofula. My little boy is entirely free from sores, and all four of my children look bright and healthy."

Owing to death in the family of J. K. Luttrell, administrator of the estate of J. H. H. C. Manuel of this place has associated himself with G. Meckling of San Francisco, in the street contracting business in that city. The new firm will make basalt block paving a specialty. Mr. Manuel is the owner of one of the finest basalt block quarries in the State. It is located a few miles east of Sonoma, and now that blocks will have an equal chance with the poliothe pavement we expect to see his quarries giving employment to a large number of men the coming spring and summer.

NARROW ESCAPE.

Nearly Run Down by a Southern Pacific Train.

G. S. Harris, proprietor of the Union Stables in this place, had a hair-breadth escape from being killed by a Southern Pacific train on Monday afternoon last. He was returning alone from Santa Rosa in a double carriage, whither he had been with a party of ladies and gentlemen, and upon reaching a point on the county road known as the Drummond crossing, situated a mile or two north of Glen Ellen, he essayed to cross the track of the Southern Pacific road. Before doing so, however, he took the precaution to stop his team and listen to make sure that no train was approaching. The wind was blowing hard at the time and the rain falling in torrents. Knowing that no regular train was due at that hour and not seeing the slightest indication of one approaching, he started his horses across the track. They had no sooner reached the center of the same than they swung back again in a most frantic manner, and at that instant an engine with one car attached rushed by with lightning speed. So close did it come to the horses and carriage that for an instant Mr. Harris was almost paralyzed at his narrow escape from a fearful death. The horses were crowded almost against the track when the train passed, while the carriage was but two feet from the rails. The train, which was approaching one of the most dangerous crossings in this valley, as there is a curve in the road, gave not a sound of its approach. There was no bell, no whistle, nor any other sound to herald its approach. The instinct of the intelligent horses alone saved Mr. Harris' life.

Of late these narrow escapes have become very frequent, and something should be done to protect the lives of travelers on our county roads while being compelled to cross railroad tracks, else it will not be long before we will be called upon to chronicle something more serious than narrow escapes like that narrated above.

An Afflicted Family.

The family of Hon. J. K. Luttrell of South Los Gallicos have been peculiarly unfortunate the past winter in regard to sickness and death. Mr. Luttrell several weeks ago was attacked with a severe spell of sickness which prostrated him for some time. He had no sooner recovered than his wife was stricken with la grippe and diphtheria, but after a severe struggle the lady finally recovered. Last Tuesday Mr. and Mrs. Lee Luttrell buried their little nineteen-months-old boy Clay, who died after a brief illness. In less than two hours after the funeral Mrs. J. K. Luttrell was summoned by telegraph to the bedside of her brother, Hon. L. Patterson, a prominent State official residing in Portland, Oregon, who is lying at the point of death. There is an old saying that misfortunes never come single and the truthfulness of the adage is made remarkably apparent in the case of Mr. and Mrs. Luttrell, who have the sympathy of their many friends in this valley.

Serious Accident.

Henry Bates, a young man about 18 years of age, son of Mrs. Millie Bates, met with a very painful accident on the Burris farm, near this place, last Sunday. He was experimenting with a horse power and through some mischance one of his feet became caught in the gearing and he suffered a fearful dislocation of the ankle. Dr. Davis was called in to attend the sufferer, and reset the injured limb. The hurt will confine young Bates to his bed for some time and may cripple him for life.

Welcome Showers.

The April showers which have fallen in this valley the past week have had a tendency to brighten up the spirits of our farmers. Crops of all kinds are looking remarkably fine and fruits, grain and vegetables promise a rich harvest the coming season. The rainfall last Monday was .84 inches and on Tuesday .15 inches, making 18.88 for the season.

The World Enriched.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring time or, in fact, at any time and the better it becomes.

Do not weaken the stomach with strong chemicals. Simmons Liver Regulator is mild but effective.

DEATH OF J. A. LOSEE.

The Romance of His Life—Shipwrecked and Cast among Savages.

He is Adopted into the Tribe and Becomes One of Them.

J. A. Losee, who has resided in Sonoma many years, died at his home on Broadway on Friday evening of last week from old age. Deceased was a native of New York, aged 70 years.

Mr. Losee was the hero of a romance, which reads stranger than fiction. Years ago, together with his wife, who survives him, he was shipwrecked and with others took to open boats and after drifting many days in the ocean was cast upon one of the South Sea Islands. There was little to sustain life on the barren island, and a number of the survivors of the wreck, among whom was Mr. Losee, put off in a small boat to explore the islands in the hopes of discovering a better abiding place until such a time as some chance ship might come to their rescue. Mr. Losee, leaving his wife behind, started on his tour of exploration. Knowing nothing of the currents surrounding the islands, he was carried out to sea, and after many days of hardship and suffering finally reached an island inhabited by savages. In the meantime his wife and those who had been left behind, were discovered by a passing ship and rescued. Mr. Losee, being a man of large and commanding presence, the savages, who were cannibals, adopted him into the tribe and for nearly four years he lived with and was kindly treated by them. He was finally enabled to make his escape to the deck of a passing ship and eventually reached Australia. Then commenced a search for his missing wife, of whose rescue he learned upon reaching civilization once more. For a long time the search was kept up and he was eventually rewarded by locating Mrs. Losee in New York, and the couple were finally united after many years separation, and subsequently located in Sonoma.

The funeral of Mr. Losee took place in Petaluma Sunday.

GLEN ELLEN GOSSIP.

April showers fell thick and fast last Monday and Tuesday, and was much appreciated by the farmers in this vicinity.

The balance of the stock in the store of C. O. Borman was taken to Santa Rosa last Friday and will be disposed of at auction.

Densten and Turner, the well-known photographers of San Francisco, have located in the Park for the summer. They are doing fine work and lots of it.

E. E. Oulevey, the efficient foreman on the farm of Kohler & Frohling, left last Friday for his home in France. He will also travel extensively through Germany, Italy and Spain. He will be absent about six months.

A one-sided scrapping match last Thursday resulted in the arrest of one of the participants, who was found guilty before his honor, Judge Morris, and sentenced to 15 days in Mulgrew's boarding house in Santa Rosa.

Nineteen cars, containing about 1,300 members of the National Club of San Francisco, were up Sunday. Liquid refreshments disappeared with astonishing rapidity. Everything passed off quietly and a general good time was had by all present.

Our townsmen, John Hendley and Wm. Sobbe, had their photos taken last Sunday in the Park. Their complexion, which by the way is soft as satin and rosy as the first flush of dawn, showed up to excellent advantage. The pictures went off like hot cakes and the demand greatly exceeded the supply.

WILE AWAKE.

Glen Ellen, April 8, 1891.

The copartnership heretofore existing between Messrs. Quararoli & Ciucci, proprietors of the Toscano Hotel, has been dissolved, this former retiring.

Protect Your Health.

Cold and moisture combine to have a torporous effect upon the bodily organs, and the digestive and secretory processes are apt to be more tardily performed in winter than in the fall. The same is true, also, of the excretory functions. The bowels are often sluggish, and the pores of the skin throw off but little waste matter at this season. The system, therefore, requires opening up a little, and also purifying and regulating, and the safest, surest and most thorough tonic and alterative that can be used for those purposes is Hostetter's Stomach Bitters. Persons who wish to escape the rheumatic twinges, the dyspeptic agonies, the painful disturbances of the bowels, the bilious attacks and the nervous visitations, so common at this time of the year, will do well to reinforce their systems with this renowned vegetable stomachic and invigorant. It improves the appetite, strengthens the stomach, cheers the spirits, and renovates the whole physique.

The New Hall of Temple Lodge Dedicated.

Impressive Ceremonies—Magnificent Banquet Given by the Ladies of the Eastern Star.

The beautiful and costly new hall of Temple Lodge, No. 14, F. and A. M., was formally dedicated last Thursday afternoon in the presence of about two hundred members of the order and invited guests. The ceremonies, which were very impressive, were conducted by the officers of the Grand Lodge, assisted by the local members of the order: Grand Master Alvah R. Conklin of Bakersfield, Kern county, presided. The other Grand Officers present were Deputy Grand Master Wm. Johnston of Sacramento, Senior Grand Warden Chas. R. Gritman, Napa; Grand Marshal Jas. R. Stevens, Napa; Grand Secretary Geo. Johnson, San Francisco; Grand Lecturer Elias C. Hare, San Francisco; Grand Orator M. D. Boruck, San Francisco. Among other distinguished Masons present were Past Junior Grand Warden Knapp of Napa, A. D. Lughlin of Santa Rosa, Inspector of the Sixteenth Masonic District, and the venerable Judge S. Akers, the only surviving charter member of Temple Lodge, which was instituted in Sonoma on May 6, 1851, just forty years ago next month.

The beautiful ceremonies made a deep and lasting impression on all present, while the oration delivered by Grand Orator Boruck commanded marked attention and elicited hearty applause at its conclusion.

The dedication ceremonies over those present, including 150 members of the order and about fifty invited guests not Masons, were sumptuously banqueted at Weyl's Hall by the ladies of Valley of the Moon Chapter, Order of the Eastern Star. The spread was a magnificent one. Three tables running the entire length of the large hall were beautifully set off with garlands, arches and bouquets of flowers woven by the dainty fingers of the lady entertainers, while almost every luxury conceivable was spread before the guests to tempt their appetites.

Speeches were made at the banquet board by R. A. Poppe, M. D. Boruck, Alvah Conklin, Wm. Johnston, Allen B. Lemmon, A. D. Lughlin, Prof. Watson and Past Master Mrs. C. McHarvey.

The committee of Masons having the affair in hand, Messrs. Robt. P. Hill, Henry Weyl, Sr., and R. A. Poppe, deserve the highest praise, not forgetting the Eastern Star ladies, for the admirable manner in which the affair was conducted.
